PERSONALITY

Serious and consistent in achieving goals. My path in psychology has improved my ability to work in groups and understand others. My consistency has allowed me to complete my studies with Start2Impact. Now I'm looking for a project to apply my knowledge and curiosity to.

LANGUAGES

Italian - Mother tongue
English - B2

FORMATION

Start2Impact University

Master in front-end development
2023/2024

Università degli Studi di Milano-Bicocca

Degree in scienze e tecniche psicologiche
2018/2022

SKILLS

Languages known:
- **HTML**
- **CSS** e SASS
- **Javascript**

Adding to this is the knowledge of
- **GitHub** as a version control system
- **React**
- **Bootstrap** 5

I haven't yet gained professional experience in web development, but I can certify my skills through the projects in my portfolio.
I am more than willing and eager to learn new languages and technologies for a job.
